Accounts

i. Brief Description:

The revenue generated are remitted to appropriate head of accounts and then reconciled with bank Challan and treasury report.

Accounting is an internal function of the department. SRO does daily accounting, remits the money to banks and records the remittances. The statements are prepared by SRO and sent to DRO. DRO further consolidates it and sends to IGR office. Reconciliation with treasuries is carried out at concerned SR/DR offices.

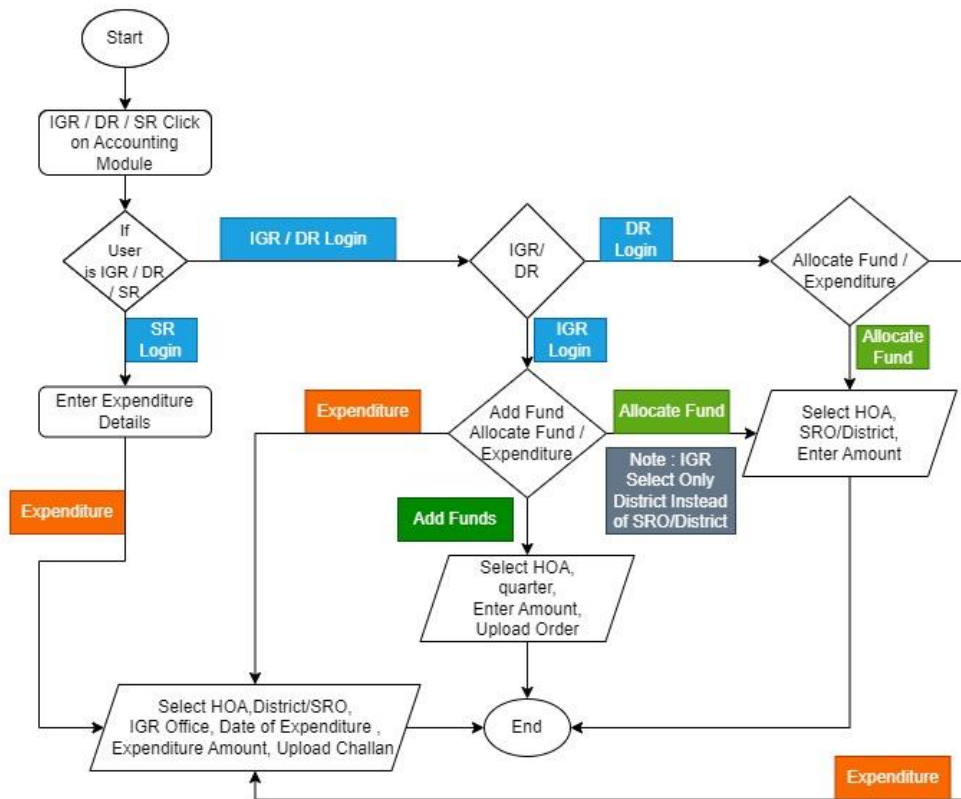

This module will be used for internal purpose by IGR/DR/SR.
