8		Below are issues identified in GPA/POA	18/05/2026	Completed

Tracker List Sl.No.	Module	Issue/Feature	Release date	Status
		1. Mobile number is mandated for Owner instead of POA holder. 2. Schedule allocation – POA holder name is not getting displayed for allocation.		
9		Paper to Paperless – Documents which is under middle process of paper to paperless at Step 5 in SR login, requires mandatory document upload in DEO login for digital execution of parties. In this case where as uploaded document will be converted into paperless flow for digital execution done in this case, document is automatically moved back to citizen login after certain period of timescale. As simple points: 1. SR step 5 – SR sends the application to DEO for document upload 2. DEO sends back to SR for verification after uploading the document 3. SR verify the documents and sends back to DEO for digital sign of each parties 4. Once Digital execution is done, SR accepts for registration at Step 5. Issue During the Digital execution at DEO login applications will be automatically moved back to citizen for appointment	18/05/2026	Completed
11		Name match – Consent message to be updated as shared	13/05/2026	Completed
